

TMEA Concert Ensemble Evaluation

This sheet is to be used by the clinician as a summary and generalization of your performance today. Whereas the recorded commentary will provide specific musical examples, this sheet will present broader ideas that will benefit your students and program long-term.

<i>Performance Area</i>	RATING	
Tone Quality		
Intonation

Artistry/Expression		
Interpretation		
Programming/Instrumentation		
Appearance/Decorum		

Evaluators - The Final Rating is to be an average of the ratings given to each performance area. Performance areas with two ratings will count double. Please avoid ratings of I- or II+ by entering performance area ratings that will lead to a clear cut Final Rating. Be prepared to justify these ratings with appropriate written and recorded commentary.
